

Meeting called to order at 6:33pm

No Jewish Holiday conflicts

Seneca Park not available (Week 2,4,5 changes)

Mod should be running Wed and Varsity Tues but this is not how it is on rschools

Kim H: it is okay to separate mod/Varsity

Re-open discussion regarding mod running 1.5mi the whole season:

Dave H: kids can see progression during season

Mike P: meets are different distances at diff locations anyway

Mike S: not sure how we would make Parma 1.5 without them running into each other

Motion Mike: Delay the 1.5 mi. consistent racing distance for one more year until we figure out what to do about Counties (block 5/6/Counties will be 2.0 ish miles

Seconded: Brian M

Kim H: do we have a 1.5/2.0 and every course?

Proposal passed

Seneca Park offline this year

Week 2 should be Parma Park NOT Black Creek

Week 4 is now at Webster Park

Week 5 is now at Mendon West

WeatherBug:

90 degrees and higher we will not race

Veteran coaches please help new coaches with course hosting responsibilities

Every course is used 2 times or more during the season

Every team wants to officials when they host except Victor will take 1

We are trying to move to electronic timing for league meets

Bob G: WFL league does this in almost every league meet

Matt W: Yen ...

Rich Rowe made spreadsheet for Halloween Harrier

Scanner is \$60 – merges in results

See Matt Ward for more information

Bob G: meet week 3 at Center Park will be electronic timing through Bob's son – make sure rosters are up to date

Matt T: why don't officials purchase equipment and bring it to help them

Kim H: new officials could be trained

This is paid for in swimming – through the league

Chris C: we can make a committee

Members: ??

Jim E: underwear if it is above knee – does not need to match

Paul G: I will be out at Parma on Thursday 10/26 with volunteers to set up Counties flags

Matt W: Yen has new set of chips so ALL races will be chip timed at Counties so no need for finish chute

Kim H: parking is tough at Counties

Mike S: make flow of traffic one way

Proposal: Chris C: make mod races half hour earlier

Seconded Jim E

Vote: 46-0

Dave K: can coaches pick up ribbons at start of meet

Matt T: can we put ribbons in packet ahead of time? YES

New duties: corral volunteers

Chris C: have 4 schools help mod athletes keep moving through corral and remove chips

Jim E: chute management – adults

Mike P: Proposal to move mod races apart

Chris C: same as JV and Varsity

Kerry W: Proposal have meeting at 10 am then 10:30 girls and 11:15 boys

Voted and passed 46-0

Matt W and Jeff W will rearrange duties

Make Awards quicker or keep the same?

Mendon and Churchville coaches will organize award winners while Chairs announce

Matt T: update MC Invitational to reflect new times and frosh/soph

Matt W: remember to follow medical documentation rule in handbook for Varsity athletes

Matt T: Yen will need updated roster for Counties

Jim E: we still have to update roster in MC website for league meets

Dave H: t-shirt vendor (innovative edge) did not send t-shirts until December (for overages) – service was poor

other leagues by their own t-shirts and then make money off of it
or we can put it out to bid

Matt W: he does banquet

Dave H: we shouldn't need to support other leagues

Sean V: we should let Mike R know what he can improve on

Dave H: fair, or we can let him know we are putting it out to bid

Mike B: league should make money on shirts

Dave H: Mike R donated \$500 of product

Matt T: Kim, what are other sports doing?

Kim H: put it out to bid

Sean V: other sports don't have County together at end of season

Paul D: if you don't put it out there you don't know what you can make

Bernie: should we cut him off at the knees now that season has started

Chris M: if we are not pleased as consumer we should let him know we may put it out to bid

Proposal Dave H: for the 2018 Invitational we should look for other vendors

Paul D Seconded

Bernie: not much coverage for XC but Mike R uses proceeds to run banquet which is good for us so
although we may get a \$1 off a t-shirt we may hurt ourselves

Matt T: other leagues aren't forfeiting shirt sales

Kerry W: talk about this at end of season

Dave H: banquet by D&C

Bob G: give Mike a specific list and let Mike R meet it or put it out to bid

Chris C:– make specific criteria for Mike R to meet or we revisit this – Chairs

Matt W: summary Sectional handout (green)

Bob G: mod athlete must move up before half-way through your league schedule (October 3rd – block
4)

Kim H: still need to go through APP

Matt W: bring sectional verification to County Chairs at MC Invitational or send to Section V
Coordinators yourself

Sean V: is the only time we can see the course on Saturday of Invitational?

Bob G: yes – keep course in good shape for Sectionals and States

Paul G: only 17 athletes per team can compete at Wayne Invite max (10 Varsity and 7 Var B)

Justin H: purpose to preserve course

Bob G: over 100 schools will likely compete

Bob G: States

We need help on Thursday prior to set up

Saturday/Day of States need volunteers to take down course
