## Cross Country Rules

### **SECTION 1: THE COURSE**

Article 1... The cross country race shall be a course 2500 to 5000 meters (1.5 to 3.1 miles in length) as determined by the meet director or games committee. Measurement shall be along the middle of the course. The course shall be clearly marked. This may be by a wide line marked with a material which is not injurious to the eyes or skin, or by signposts with large directional arrows wherever the course turns, or by flags about 1 foot square and mounted on stakes/poles which hold them 6 feet or more above the ground.

Flag Designations:

A red flag indicates a turn to the left.

A yellow flag indicates a turn to the right.

A blue flag indicates a course straight ahead.

Article 2... In case of a discrepancy in the course markings, directional flag markings take precedence over any other course markings.

Article 3... The race course should include the following features:

- a. Signs and flags at least 6 feet above the ground visible for 100 feet. Turns and guidelines should be marked on the ground with a material which is not injurious to the eyes or skin. The course should be at least 3 feet wide at its narrowest place.
- b. No ground obstructions which might cause tripping, turned ankles, etc. No overhead objects such as tree branches lower than 8 feet above the ground.
- c. A 2-inch wide starting line marked at the beginning of a lengthy straightway, wide enough to accommodate all teams; a width twice the number of teams multiplies by 3 feet.
- d. At the end of the course, a straightaway of at least 150 yards ending in a rope funnel with a mouth 15 feet wide. The finish line should be at the mouth of the funnel and 15 to 25 feet from the chute. This funnel should narrow to a rope chute about 30 inches wide and at least 100 feet long. The stakes supporting the ropes should be solid enough to permit taut ropes and the stakes and ropes near the finish line should be well padded. See diagrams of chutes.

### **SECTION 2: SCORING**

Article 1... Scoring shall be as shown in the following table:

Place:	First	Second	Third	Fourth	Fifth	Sixth	etc.
Points:	1	2	3	4	5	6	etc.

Article 2... All competitors who finish the race shall be ranked and tallied in accordance with the above table. The team score then shall be determined by totaling the points scored by the first five finishers of each team. The team which scores the smallest number of points is the winner.

Article 3... If fewer than five competitors of a team finish, the places of all members of that team shall be disregarded and the team scores re-ranked. By state association adoption, a modified scoring system may be used.

Article 4... Ties in team scoring shall be resolved by comparing the sixth place finishers from the tying teams. The team with the best sixth place finisher shall prevail. If one team does not have a sixth place finisher, the team with the sixth place finisher shall prevail.

Article 5... If only 5 competitors of tying teams finish, the tie shall be resolved by totaling the scores of the first four finishers.

Article 6... The score of a forfeited dual meet shall be 15-50.

### **SECTION 3: OFFICIALS**

Article 1... The games committee or the meet director shall establish the length of the course, assign the teams by lot to their starting positions and provide the necessary meet facilities.

Article 2... Referee- The referee shall make final decisions concerning questions which are not specifically placed under the jurisdiction of other officials and shall disqualify any runner for violation of the rules.

Article 3... Starter- The command shall be "on your marks". When all competitors are steady, the starting device shall be fired. For an unfair start, the starter or assistant shall recall the runners by firing the starting device. If a runner falls during the first 100 meters due to contact with another runner, the race shall be recalled by firing the starting device.

Article 4... Clerk of the course- The clerk shall place the teams in proper position on the starting line and give all needed instructions. Also, the clerk should check and enforce uniform, visible apparel and shoe regulations.

- e. Be certain that umpires, callers checkers and timers are in place when the runners finish the race

Article 6... Finish Judges- The finish judges stand outside the chute and on the finish line and determine the order in which competitors enter the chute. Their decision is final and without appeal except for possible action taken by the referee or jury of appeals.

Article 7... Chute Umpires- The chute umpires supervise the competitors after they enter the chute and see that they are properly checked to prevent any irregularity in the order of finish. They see that all competitors who cross the finish line are given their proper order as the contestants go through the chute.

## **Monroe County Cross Country League Coaches Handbook**

### **INTRODUCTION**

This handbook has been developed to standardize procedures at meets. Cross-Country has always had the reputation of being a sport with few conflicts or problems. Our intention is to maintain that reputation through a coordinated approach in running our meets. It is the **responsibility of the host schools to organize and run their designated meets**. Host schools are encouraged to call fellow schools they are competing against each week for any additional help they may need. (We are all in this together so we need to help each other out if possible.) The use of assistants and/or managers will help to run meets smoothly and efficiently (advanced planning will have a positive impact on running your meet). If problems arise, coaches should contact the primary host coach immediately. If the problems continue (poor organization, scoring, starting, rule enforcement, etc.), or are not handled according to this handbook, coaches should contact their chairperson for further action. During the season, each school is responsible for hosting about 2 league meets with the exception of the schools that volunteer to produce the website and record league results. Responsibilities of the host school are outlined below:

### **A. ENFORCEMENT OF RULES**

1. It is the responsibility of the host school's coach to enforce all the rules of Cross-Country as laid out in the State and Federation Rulebooks. Rules are listed in appendix 4 of the handbook. Rules that seem to cause the most problems are listed below:
  - a. Section 6, Articles 1-5 deal with disqualification.
  - b. Uncalled for roughness of any kind shall lead to disqualification of the runner(s) concerned.
  - c. Any language that is abusive or obscene shall call for disqualification of the runner(s) who use such language.
  - d. It is the responsibility of the coach to inform his/her athletes of proper etiquette and sportsmanship.

\* All infractions of rules must be observed by a coach, official or admitted to by a runner when confronted with the issue.

\*\* An athlete disqualified for un-sportsmanlike conduct must have his/her school file a report concerning that incident with Section V.

## B. STARTING TIMES AND ORDER OF RACES

1. In general, starting times for all meets shall be 4:30 PM. However, teams will be given sufficient time (a minimum of 20 minutes) to warm up after they arrive. Coaches may agree to give more than 20 minutes if needed
  2. If a team has not arrived by 4:30 PM, it is up to the discretion of the attending coaches to begin after an additional 15 minute grace period.
  3. The order of races is as follows:
    - a. Modified
    - b. Varsity and JV Boys
    - c. Varsity and JV Girls
- At mid-season, the Varsity Girls and Boys races will reverse.

## C. UNIFORMS

1. Each member of each team is required to wear a team uniform in competition.
2. Rule for the need of identical equipment worn under the uniform is waived for league meets.

## D. COURSES

1. You will find course maps on the Monroe County Cross Country website
2. **Teams visiting courses located in a MONROE COUNTY PARK need to contact Corey Bryant ([coreybryant@monroecounty.gov](mailto:coreybryant@monroecounty.gov)) with dates and times of practices**
3. Primary and secondary host coaches are responsible for sufficiently marking the course and explaining the markings to all runners and coaches sometime before the start of the race. (See Federation Rules, appendix 4, for proper marking.) **In Monroe County Parks, non-permanent markings such as chalk and/or flour must be used on permanent surfaces, such as roads, roots, and rocks. Paint may be used on grass and dirt.**
3. All coaches should agree upon any course changes, alterations (due to weather, repairs, etc.) before the start of the race. Any alterations must be reported to the league chairs and the person recording league results.
4. Course sites:

There are alternate course sites in case of poor conditions. The county chairpersons are responsible for contacting all coaches, schools, athletic directors, and assignor of officials concerning a site change due to site problems. All coaches must receive ONE week notice of change. In case of emergency situations such as flooding, fallen trees, etc., a 24 hour notice will be sufficient. After that deadline, the meet will to be postponed. In the event that two meets must be scheduled at one site due to emergency conditions, the ORDER OF EVENTS must be agreed upon by ALL parties involved.

## E. STARTING LINE PROCEDURES

### 1. ORDER ON THE LINE:

Runners will line up by teams with the order determined by PICK OF THE DRAW (numbers, straws, etc.) The first **five** runners of each team will take a place on the line, with the remaining runners behind them. JV's will be on the outside of the starting line: Varsity on the inside. This will be determined by the direction of the first turn in the course.

### 2. STARTING COMMAND PROCEDURE:

The command shall be "ON YOUR MARKS". When all competitors are steady, the pistol shall be fired. For an unfair start, the starter or assistant shall recall the runners by firing the pistol. If a runner falls during the first 100 meters due to contact with another runner, the race shall be recalled by firing the pistol. (Federation –Rule 9 –3-3)

### 3. OTHER RESPONSIBILITIES:

- a. It is the responsibility of the host school to provide the **AED** at the start/finish area
- b. The host school will call a coaches/officials meeting 20 minutes before the start of the first race.
- c. Primary host coach will give adequate warning of the start of each race (first call 10 minutes, second call 5 minutes before the race). They will call runners to the line and answer any questions about the course. They will direct line-up order, explain finish procedures (cards, chutes) and check to see that the timers are ready. There must be at **least three timers**.
- d. It is the host school responsibility to provide vouchers for officials.

### 4. OFFICIATING:

The host school may use certified officials in lieu of the host coaches running the meet. To get officials, contact **Rick Smith at (585)352-6505 (h) or (585)202-3499 (c)**. Email is [rickasmith53@yahoo.com](mailto:rickasmith53@yahoo.com).

## F. FINISH LINE PROCEDURES

### 1. Chutes:

Provide a sufficient area BEFORE the actual finish line. Continue the chute approximately 30 feet BEFORE distributing the finish cards. **Any change in the A/B chute system must be by unanimous agreement of the coaches involved at the meet site.** See chute diagram below:

### 2. Cards:

- a. Cards must be easily identified as to each race. **Use color codes for Varsity Boys, Varsity Girls, JV Boys, JV Girls, Modified Boys, and Modified Girls.**
- b. Have enough cards to handle the maximum number of runners in the race. Have extra cards available just in case. Coaches should turn in their cards to the host coach within 10 minutes of the races conclusion. USE RESPONSIBLE INDIVIDUALS to hand out cards, process runners through the chute, and to score the races. The host school's coach or coaches are ultimately responsible for the operation of the races and overall meet management.

### 3. Timing:

A time should be recorded for each finisher for each race. **There must be 3 watches operating for each race.**

## G. SCORE SHEETS

All coaches will use the OFFICIAL CROSS-COUNTRY SCORE SHEET format, available at the coaches' pre-season meeting. Sheets should be scored as soon as possible after each race (preferably before the finish of

each succeeding race). The host coach is responsible for distributing results to all coaches as soon as possible before the schools leave. Sample score sheets are in appendix 2.
